

Vancouver Buffet Blowout: "The Elements"

The International Special Events Society (ISES) - Vancouver Chapter held their annual signature event "Buffet Blowout" at The Vancouver Art Gallery Wednesday night. Three caterers teamed up with five décor companies to showcase the creative talents of Vancouver's culinary and design industries. The evening's theme was elements: Earth, Wind, Fire and Water. Each caterer showcased an element and the bar showcased the water element. Catering companies worked with the décor companies to produce a menu suited to the design conceptions envisioned by them. Ten dollars from each ticket sold was donated to the Adoptive Families of BC.

The winners

Best Overall: Darren Ray from The Butler Did It Catering, for the element "Earth" (also working on Earth were Bright Ideas Event Coordinators LTD and Unique Events Incorporated)

Best Design: Colin Upright of Upright Décor Rentals and Design, for the element "Fire" (also working on "Fire" were Peake of Catering and Wow! Productions)

Best Catering: The Butler Did It Catering
